Preventative Care Plan for Poppy

A ManyPets Inc Plan

[MANYPETS.COM](https://www.manypets.com)

Hi!

Congrats on purchasing a ManyPets preventative care plan!

We're thrilled to welcome Poppy to our pack. Clearly you want Poppy to live a long and healthy life — and we're here to help.

First, we just want to clarify that this preventative care plan is not an insurance policy. This plan provides reimbursements for preventative care-related costs. We'll explain what that means, in the agreement below.

So how do we define prevention? What does the preventative care plan cover? And how is it reimbursed?

Let's dig into the kibbles and bits.

Preventative Care Plan for Poppy

1 The basics.

First things first: Your preventative care plan (PCP) covers routine and/or wellness related care.

We'll use the terms **routine** and **preventative** through this agreement. These terms refer to care intended to prevent or avoid an illness or injury or to promote Poppy's general health and well-being.

We use "**treatment**" to refer to any of the reimbursable items described in section 3 that may be a part of Poppy's routine care. A **treatment** is **routine** or **preventative** when there are no underlying illnesses or injuries, and the treatment is part of Poppy's ordinary care.

The words "**plan**" and "**agreement**" refer to this ManyPets PCP. Throughout this **agreement**, the words "**you**" and "**your**" refer to Poppy's "**pet parent**" as listed on the Summary Page. The words "**we**," "**us**," and "**our**" refer to ManyPets Inc (the "**company**"), which is providing this **agreement** directly or through a designated representative.

If **you** have enrolled more than one (1) pet in a **plan**, please know that each pet has their own separate PCP. This **plan's** reimbursement limits (as listed on the Summary Page) only apply to Poppy. Likewise, the terms and conditions below only apply to Poppy.

2 Which preventative treatments are reimbursable?

We'll reimburse **you** for expenses up to the annual aggregate limit for each **treatment** category described below, as confirmed on your on your Summary Page.

This PCP reimburses expenses that arise from the following **treatments** for Poppy:

Treatment	Limit	Reimbursement
Routine wellness visit – exam and vaccines	\$150	Provides reimbursement for costs associated with exams and vaccinations performed by a veterinarian for preventative and/or routine care. Examples of vaccinations include rabies, Bordetella, DHPP, FVRCP, and Lyme.
Testing and parasite prevention	\$150	Provides reimbursement for medicine used to help prevent internal and external parasites for which readily available prophylactic treatments are available (i.e., flea, tick, and

Treatment	Limit	Reimbursement
		heartworm prevention) and any fecal testing and FIV/FELV testing. This also includes reimbursement for any test needed to obtain heartworm medicine.
Dental cleanings and at-home dental care	\$150	Provides reimbursement for the routine care required to maintain dental hygiene for Poppy. This only includes brushing, scaling, and polishing and those products purchased that are intended to provide at home dental care.
Vitamins, supplements and more	\$150	Provides reimbursement for vitamins, supplements, shampoos, ointments, massages, chiropractic, acupuncture, aromatherapy and reiki sessions that may help with stress, anxiety, skin, coat, bone, and joint care.

You must incur these expenses during **your plan term** (see section 4 for more details). All reimbursements are subject to review and approval by ManyPets Inc. If Poppy has another **plan**, this **plan** will apply in excess of the other **plan**, and **we** will pay any amount which is over and above such other valid and payable **preventative care** reimbursement from the other **plan**.

3 So what isn't reimbursable?

This **plan** does not reimburse for **treatments** that took place prior to purchase of this **plan** or during the 24-hour waiting period.

5 How to receive your reimbursement.

To ensure that reimbursements are reviewed and approved as quickly as possible, **we** ask that **you**:

- 1 Submit a picture of the entire itemized invoice from **your** veterinarian, pet store or service provider that includes as much of the following information as possible:
 - Veterinarian or service provider's name, phone number, business address.
 - Poppy is listed somewhere on the invoice (to confirm the **treatment** was for Poppy).
 - The invoice should list in full all individual items billed, including any items not reimbursable by ManyPets, discounts, and taxes.
 - The total amount billed and proof of payment.
 - If you submit within 48 hours of the **plan enrollment date**, **we** require a time stamped invoice to verify that the expense has met the 24 hour waiting period. Unless otherwise outlined, the time of expense is the earlier of the time the payment was processed, **treatment** was received, or invoice was generated.

- Invoices must be printed on letterhead or otherwise verifiable. If an invoice is from a quick pay app, such as Square, it must include the itemized **treatments**, the total amount, the tip, and the authorization number located at the bottom of the receipt.
 - To prevent fraudulent reimbursements, **we** cannot accept handwritten invoices.
- 2 You must submit **your** reimbursement within thirty (30) days of the cancellation of the **plan**.
 - 3 You must submit **your** reimbursement within 180 days of **treatment** while enrolled in the **plan**.
 - 4 You must cooperate with us to investigate any reimbursement, including providing additional information for a specific provider or invoice.

Unfortunately, failing to follow the above may result in a rejected reimbursement.

6 Plan payment.

- 1 Payment is made via monthly installments. The date of **your** installments aligns with any other plans or policies **you** have with ManyPets and will be combined into one single monthly payment.
- 2 **You** are responsible for immediately notifying **us** of any billing account information changes to avoid any missed payments or **plan** cancellations.
- 3 This **agreement** is effective on the **plan enrollment date**. It will automatically renew on the anniversary of that date in each succeeding year unless **you** or **we** cancel this **agreement** as described in Section 7 below.
- 4 If **your plan** cancels due to a missed payment or **you** cancel this **plan**, you may be able to re-enroll Poppy in a new PCP at the current rates and coverages available (see Section 7, Other important notes on cancellation, 1.).

7 Cancellation.

Cancellation by you:

You may cancel this **plan** at any time subject to the following:

- 1 You may cancel this **plan** for any reason within 30 days of the **plan enrollment date** for a full refund of any payments made to **us** as long as **you** have not received any reimbursements under this **plan**.
- 2 You may cancel this **plan** for any reason after the first 30 days of the **plan enrollment date** as long as **you** have not received any reimbursements under this **plan**. However, any payments made to **us** will not be refunded and **your plan** will be canceled as of the next installment date.
- 3 If any reimbursements have been paid to **you**, a mid-term cancellation will not be allowed. This means that no refunds will be made and **you** will be required to pay the remaining monthly payments in full and **your plan** will be cancelled at the end of the **plan term**.
- 4 In the event the unfortunate happens, and **your** furry family member dies or becomes lost, **we** will cancel and

refund to the date of death or to the date a pet became lost. Please note that proof may be requested.

Cancellation by us:

We reserve the right to cancel the **plan** at any time and for any reason, including but not limited to suspected fraudulent activity. In the event we choose to cancel the **plan** for any reason except **your** default, we will waive any future payments due and discharge **your** remaining obligation under **agreement** in full. When we initiate a cancellation, we will provide you with a notice of cancellation via email.

Cancellation due to non-payment:

If you fail to pay any monthly installment by its due date, we may immediately cancel your **plan** and we shall deny or close any pending or future reimbursement requests regardless of when the reimbursement was submitted and/or the **treatment** occurred. At that time, all remaining installments for the then-current **plan** term will become due and payable to us, and we may refer your account to a third-party collection agency.

Other important notes on cancellation:

- 1 Should any amount remain uncollected from you, we may refer the outstanding balance owed to a collection agency. Collection activity may negatively impact your credit rating and may result in collection fees that will be payable by you. Whether or not a legal action is commenced, you agree to pay and reimburse us for all fees and costs of any collection agency, which may be based on a percentage of the debt (up to the maximum rate of 33%), and all fees, costs, and expenses, including reasonable attorney's fees, incurred by ManyPets Inc in such collection efforts, in each case such amounts may be added to the debt owing when the account is placed into collections.
- 2 Should any **plan** be canceled, we may permit you to restart or re-enroll in a new **plan**. A new **plan** may only be purchased upon full payment of any uncollected premium due to us. You will be required to settle payment for any amount owed from the prior **plan** prior to purchasing a new **PCP**.
- 3 We reserve the right to not issue a new **plan** and/or implement a 12 month waiting period to purchase a new **plan**, regardless of payment for backed premium due to us.
- 4 Any new **plan** will be subject to the most recent prices, terms and reimbursement limits unless special arrangements are made between you and us, and it is agreed to in advance. We may not be able to honor the payment frequency or **plan** you had in place when the **plan** was canceled if a price and/or **plan** change has taken effect.
 - For example: If you canceled your **plan** at the end of your **plan** term in 2025 when you were paying \$25 a month and decide to re-enroll in 2027 when the new monthly **plan** price is \$35 a month, your re-enrollment is subject to the new price of \$35 a month.
